Program begins Friday, January 5

Register online at Steinbach.ca

Do You Need a Building Permit?

Please note that a building permit is required if you are building the following:

- All pools and hot tubs that have the ability to hold 24" or more water.
- All buildings larger than 125 square feet.
- Mobile signs.
- Decks that are more than 24" from the top of the deck to the adjacent ground.
- Secondary suites.
- Moving or demolishing a structure.

New Building Requirements in 2024

As of January 1, 2024, the 2020 editions of the National Building Code, the National Plumbing Code, the National Fire Code and the National Energy Code come into effect.

All building permits can be applied for by visiting Steinbach.ca and selecting "Apply for a Permit" in the Quick Links.

Please check www.steinbach.ca for new and updated documents and building requirements.

Recovered Bikes

If your bike is missing, you can contact the city at 204-346-6217. A detailed description of the bike will be required, including a serial number and/or identifying characteristics (colour, features, defects, etc.). Photos of the bike may also be required. Missing bike descriptions are kept on file and checked against recovered bikes and owners are contacted if there is a match.

Found bikes can be brought to the City's Operations Building at 51 Millwork Drive.

All recovered bikes from the previous calendar year (recovered prior to January 1) that are not claimed are allocated to the annual bike sale held each spring. Since 2019, the City has used local online auction services to sell recovered bikes.

Information for the online auction is posted on www.steinbach.ca as well as the City's social media channels at least two weeks prior to the start of the sale. Proceeds from bike sales are used for city recreational programming.

Be Notified in an Emergency

The City of Steinbach has a FREE mass notification service that alerts residents about life threatening emergency situations.

Residents can opt-in by signing up at steinbachalertnow.ca.

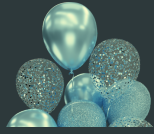

The City tests the system twice a year. **The next test notification is scheduled for November 8.**

Pre-purchase your swims, register for lessons & find schedules online at www.steinbach.ca/pool.

Snow Clearing Tips

Winter is on its way and residents are responsible for ensuring boulevards, sidewalks, and curbs are clear of objects and obstacles for snow clearing equipment. Cars should not be parked on streets after snowfalls. Larger snow windrows (pile of snow that is left at the bottom of a driveway from the plow) will be cleared whenever possible. Please note that the ridge of snow left across driveways resulting from the clearing of sidewalks is not cleared by City crews. The City appreciates your cooperation.

Payments Made Easier

Visit www.steinbach.ca to learn more and to sign up for the payment plans below.

Pre-Authorization Plan (PAP)

Quarterly water bill payments, automatically withdrawn, equal to the balance due on your quarterly utility invoice. Deadline to sign up is two weeks prior to the next due date.

Online Utility Bill Services

Receive your quarterly water bill by email and view your statement online.

Tax Installment Payment Plan (TIPP)

Monthly property tax payments or a single annual payment, automatically withdrawn for your convenience. Sign up at any time. To divide your payments over 12 months, sign up by mid-December 2023 for the 2024 tax year.
