

TOWN OF STEINBACH

By-Law Number 875

BEING A BY-LAW of the Town of Steinbach requiring certain sewer service pipe maintenance to be paid by the owner of the premises served.

WHEREAS Section 685 Subsection 1.1 of the Municipal Act, as amended states:

" A municipality may pay the cost of maintaining sewer service pipes from the sewer mains to the nearest point on the street boundary of the premises served or may, by By-Law require that cost to be paid by the owner of the premises served."

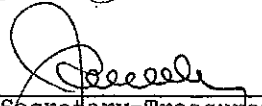

NOW THEREFORE the Council of the Town of Steinbach, duly assembled, enacts as follows:

1. THAT the owners of premises served by sewer service pipes shall be responsible for costs relating to maintenance of said lines from the sewer mains to the nearest point in the street boundary of the premises served.

2. THAT this policy become effective from date of enactment of this By-Law.

DONE AND PASSED this 7th day of June, A.D., 1982.
