Hi everyone!

Thank you for taking the time to review the CSWB plan draft I sent out. We have incorporated your feedback into the document, and I have attached the final version for you. I included it as a zip file as some folks were unable to receive the PDF version due to its size. This version can now be shared publicly.

We appreciate all the time and effort you folks have put into the development of this plan. In terms of next steps, we are still having conversations around implementation, so I will follow up in the coming weeks when we have more clarity on that piece.

We look forward to continuing to work with Steinbach as you implement your plan.

Cheers,

Katie
