

## Help us keep our pools clean and safe!

To help us keep our pools operating safely and smoothly please keep in mind the following rules during your time at our facility.

Please take a shower before you enter the pools!

Please wear proper swimwear. Cotton clothing is not permitted in the pools.

Only water is permitted on the pool decks. In summer feel free to use our outdoor patio area for snacks!

Help us prevent pool foulings by encouraging swimmers to use the washroom prior to swimming. Please use a swim diaper if required; they can be purchased at the front desk.

We are a glass-free facility! Please leave all glass items and appliances at home!

- We require payment for all caregivers going into the water or supervising on deck.
- We permit PDF's and lifejackets during public swim and rental times. Swimmers can bring their own or they may be rented here.
- Groups/Schools: If anyone will be using the following features there must be a caregiver positioned at the feature and enforcing the posted rules regardless of the swimmers age: **Dividing Board, Drop Slide, Blue Waterslide, Lazy River, Hot Tub & Sauna**
- The lifeguards decision is final. The lifeguards job is to guard the pool and react to any emergency situation that might arise. Parents and caregivers are responsible for supervising and monitoring the behavior of children/youth.
- Please note, if these requirements are not met you and/or your group will be denied entrance to the facility. Safety is our primary concern.
